### **Tribute from Lorraine Sopow**

Relation: work at PRH

"Chuckie" will be greatly missed. I often had the pleasure of chatting with him as his "corner" was around the corner from our office. No matter what the day, he always without fail brightened it.

Thank you for sharing your wonderful spirit with us all.

My conversations with Chuck in the hallway were the highlight of my day! He was a kind and gentle soul who will be missed here in the PRH Physiotherapy department.

Sad to hear of Chucks passing. I was always greeted by him with a smile at the hospital and around town. He first volunteered at the Cardiology unit where I met him. The hospital and the community of Penticton will miss him. Wishing the family my deepest condolences.
