### **Tribute from Debbie Verhaeghe**

My heart hurts. I am so sorry that cancer took you away from us. You always brighten a room when you would walk in. Your smile was infectious, your laugh made everyone laugh. I truly will miss you. Say hi to our friend Wheel chair Rick, he will keep you company. Until we meet again Debbie

### **Tribute from LeeAnn Rouleau**

My deepest condolences for your loss. I went to school with Cheryl and I remember her as always being a caring genuine person. I am so sad to hear she lost her battle with cancer. Taken much too soon.

### **Tribute from Corinne Turnbull**

Brian, Samantha and Angus. My sincere condolences for your Loss. My heart hurts for all of you. I had the honor of working with Cheryl for many years. She always had a big heart, a beautiful smile, and when she laughed you had to laugh. Cheryl was always so proud of her family. Heaven got such a beautiful Angel. R.I. P. Cheryl.
