Shannon & Janelle, I am so sorry to hear about the passing of your dear Dad. We had so many fun memories as kids all together on adventures with Dale. Trips to the hot springs and the mountains, golfing, the pool and movies. I hope you think of these happy times and that it will makes this difficult and sad time easier. My heart is with you.

Tribute from Ron Reese

So sorry to hear about Dale. We worked together at Labatts, Im still there. All of us in the Can Line always were astounded by how many vegetables he could pack in his lunch box . When he worked in the keg line we always knew what beer he was running because he was wearing the baseball cap of the brand he was filling. Lots of fun stories from his many years at the brewery.
