Tribute from Terry Henshaw

It's difficult to tell you how deeply I feel about Dwight's (Blondie) passing . What started out as families knowing families , then eventually working together in the fishing industry for a few decades , we became friends . It was a privilege to have known him . We had a lot of fun times on and off the water . Spending time at home with his family is what he loved best . Helen Joan . Karla , Tanis and family , my thoughts are with you and I extend my deepest sympathy.
