

REMEMBERING
Frank Schroeder

July 7, 1936 - March 9, 2021

Frank Schroeder, 84, was granted his wings on March 9, 2021, with his family by his side at his home in Hedley BC. He is survived by his son Mark Schroeder of Vernon BC, and his sons, Tyler Schroeder of Penticton BC and Jason Schroeder of Vernon BC. Also his daughter, Darla Schroder of Grand Forks BC and her son Russ Schroeder of Hope BC. His interests were many, and we must name a few: He was most passionate about nature and birds, bird watching, it was a life long love. He was an active man to say the least, always on the go. Walking, fishing, building or fixing something, Cribbage and pastries and those wonderful friendships. Travelling, motorcycle papa, A&W, people watching and always Cuddling dogs. And we who knew him most… napping.

Father, grandfather, uncle, and friend. You will be missed !
