Tribute from Gail and Ron Kehler

To each and everyone of the family our deepest sympathy. Uncle George you will always hold a special place in everyone's heart. Your eyes were always as bright as stars and a smile to go with it. We miss you forever. Big hugs for both you and auntie. Love you.

Tribute from Rita Schori

So sorry to hear about George's passing. I remember him well from when he worked for several years with my husband in the masonry business. His sense of humor and his dedication were always very much appreciated. And he was always so proud of his daughters

Tribute from Haven Hill Staff

George was known as Casanova on the unit he was so loving and kind to everyone. He was so busy and active. His humor was well known, many here loved caring for him very much. We will miss him very much and no one will ever forget him here. Residents still miss him and often reminisce of their memories with him.

Tribute from Linda Davies

Your Dad always played tricks on me even as a little girl and he was living at home with his Mom. He was always fun to be with, and it seemed like people were drawn to him. He will be missed by everyone who knew him. So now he will be laughing and playing tricks on his family again. I can see him dancing with your Mom and her saying "oh George". Hugs to all of you

Tribute from Gina Hansinger (Wigg)

My sincere condolences to the family. George worked with my Dad (Don Wigg) at both of the car washes in Penticton but they both ended their working career at Wise Guys Car Wash at the age of

82. I will always remember the jokes that those two played on each other. I am not sure who was worse lol but I know they both enjoyed joking with each other. I will always remember when I went for a car wash that George was always there to tease & joke with me. I loved it. He made me laugh & I just gave it right back to him which made him laugh. When my Dad passed 5 years ago George was devastated as we all were but I knew by the tears in his eyes that he had lost a good friend. George was a jokester but he had a huge heart. Mom & I were saddened to see his obituary but now know that he is at peace with Illa & raising hell with my Dad again lol. RIP George you will be missed & thanks for the laughs . Hugs to the family

Tribute from David Perry and Family

Our condolences to Gerrie Lynn and Family for their loss.

Tribute from Darlene Sheehan

Condolence goes out to all the family of George. I worked at Wise Guys car wash as a secretary for 5 years and during that time I had the pleasure of knowing George. I found him to be a very quiet and honest person and he also was very good at joking around. Every time we spoke on phone he would start off the call with a joke. When he wanted something he would come into the office with some kind of a chocolate and hand it over to me with a smile on his face and I would what can I do for you George and he would reply back what makes you think I want something and then he would laugh. When we attended the Christmas parties your dad and mom would always sit beside me and my husband and we had many of a variety of conversations and we always enjoyed that get together. He was a great person to know. I am also from Winnipeg and moved to Penticton a year just before George. I know in your minds and heart he will never be forgotten and always remember the good times as this will help you get through this time.
