Tribute from Paul Gaudet

Len was a great guy. To be sure he knew a lot about many subjects, thanks to his love for National Geographic etc. Although he could be annoyingly pedantic, I'd rather he be here to inform us than to not. The depth of his love for Jodi was always obvious as was his willingness to help others. He was a lot of fun to be around, to share a joke with, to have as a Euchre partner and to have a few (often too many) drinks with. His attributes are too many to list. Suffice it to say that he is terribly missed by all who knew and loved him and his loss will be felt for a long time. Rest in Peace dear friend.
