

REMEMBERING Linda Lee Durisek

August 18, 1949 - December 13, 2020

Tribute from Scott Logan

I was surprised and saddened to hear of the passing of (cousin) Linda. It has been many years since we saw each other, but I always looked forward to her annual Christmas letter and the details of how the year had gone for the Duriseks. My father, Murray, and Linda's Dad, Tom, were very close and when we were young, our families spent a great deal of time together before they moved to Hudson, Quebec. Linda's boundless energy always made for fun times when we all got together. Her kindness was well known and I always benefitted when passing through Harrisburg in the 80s. Thom, Nik and Stefan - our thoughts are with you and your loved ones. From the Logan clan back in Nova Scotia. - Cousins Scott and Jan; Aunt Doreen.

Tribute from Stefan "trouble" Durisek

Mom... My heart aches knowing you are no longer with me... My tears haven't been stopped in weeks... I loved you every day, we not only were close, we made it through cancer and many other very rough times together. You were a mom to all my friends, and you gave me so much with every hug, smile and encouraging word. You protected me, you helped me and you loved me unconditionally. I am very sad we were torn apart. My kids will be told the storied of everything you have done to make me who I am today. You gave me life, you fought for me while my 1st days were tragic, I lived because of your love. I will forever love you, I miss you, I need a hug now.....mom... I will see you again... And all I want is is you to hold me again. Love always and forever... Stefan - aka "trouble"

Tribute from Heather (McGinnis) Odell

Growing up with Scotty in Lancaster & at the camp in VT are some of my favorite childhood memories. Scotty was like an Aunt to me, she will be truly missed.

Tribute from Herb and Helen Coburn

We only had the privilege of spending time with Scotty a few times since she moved to Penticton. Scotty was definitely larger than life and loved her celebrations. We remember last summer cooking up a great big barbecue dinner on the patio at the watermark resort in Osoyoos to celebrate her 70 birthday. She loved every minute of attention and laughter. I also remember getting the tour of her home in Penticton when I was visiting my sister Frances and Kate and Nik. She was so pleased to

entertain us in the big dining room and celebrate Robbie Burns day with us. We love you Scotty and are blessed that Nik is part of our life. Herb and Helen Coburn

Thom, Nik and Stefan sorry for your loss. Very sad to hear of your moms passing. I always remembered and appreciated that cousin Linda would call my Dad (Norm Logan) to touch base and see how he was doing in his later years. Very thoughtful.
