**Tribute from Trish DesBrisay**

Relation: friend and met through bridge.

I have enjoyed Margarets company over the last 5 or so years. She was interesting and delightful to be with. I will miss her very much. My heart is now with her family. She talked of them often and how important they all were in her life. Her spirit will always be with us.

**Tribute from Ernest Nemeth**

Relation: Friend and bridge partner for more than a decade.

I am greatly saddened by the news of Margaret's departure, my friend and the best bridge partner I ever had. A great lady, a generous person and a fierce competitor at the bridge table.
