### **Tribute from Cathy Peters**

So sorry to hear of Ned's passing. We would always look forward to seeing him whenever we came to town. Had many visits and laughs with him over the years. We shall miss him. Tim & Cathy Calgary.

### **Tribute from Charleen Lowe**

I'm very saddened to hear of Ned's tragic passing. I knew Ned for approximately 25 years and he was always a pleasure to run into and chat to. Always a very kind person that my family will miss! Sending love and prayers to Linda and his family! I also had the pleasure of caring for his lovely mom and seeing him at my place of work when he was visiting her. My son Cole Lowe and I just had the pleasure of running into him at the Elks last Sunday and having a nice little chat! The Lowe boys grandsons of the late Gerry Lowe send their deepest condolences as well!

### **Tribute from Carol Hoenisch**

My thoughts and prayers are with the Catroppa Family during this very difficult time. I too cared for his wonderful Mother and Ned would come to see her at my place of work. Again my deepest sympathy to your family.
