Tribute from Randy Gorecki

My heart is in the depths of despair, on the sudden news & passing of my dear best friend Rick. I know God brought him into my life for a reason, and we bonded like brothers throughout our lives. I choose to remember all the good & happy times, too many to count. Rick, I will be there for your dear wife Cindy, your beloved son Monte, and your loving parents Raymond & Elaine all the days of my life. My deepest sympathy & condolences to all his family & friends, as they ponder upon the many happy memories of a strong & caring soul who loved them & me so much I am eternally grateful. I believe we will see him again in heaven, where there is no more struggles, sickness, pain or tears, and he will be with his sister Sherelle (Sherry) safe in the arms of Jesus. Love you, Rick. I will miss you so much your smiles, our talks, the love. Farewell until we meet again your buddy & your best friend Great One

Tribute from Carol Reed
