Tribute from Carol Lawrence

I am so very sad to read you are gone Rose. So very very sad. I always loved running into you as you were always so cheerful and upbeat and you were an avid walker like me. I'm glad I got to see you in December and we did the fake, from a distance, Covid hug. To Rose's family, please accept my sincerest condolences. Rose was a very special lady and I'm sure you will miss her like crazy. Take good care.

Tribute from GillHolland

I worked with Rose then in retirement often met her on walks or at the stove top serries films. Always a frienly positive smile
