

REMEMBERING **Tierra Leona Porter**

February 14, 1998 - August 4, 2021

Tribute from Katlynn Kong

Relation: Friends.

T and I lived together for a short period in 2018-19. She was such a quizzical human always wanted to understand things inside out. She was like sunshine some days and a sleepy panda others who you didn't disturb! She was strong , brave, fearless and full of heart. I send my love and warm wishes to her loved ones...
